The Alumni-Association of the Rochus und Beatrice Mummert-Foundation (AVRBMS)

The Alumni Association of the Rochus and Beatrice Mummert Foundation (AVRBMS) is a network of young professionals and professionals from Central and South-Eastern Europe committed to the integration and economic growth of Europe. On the occasion of its 5-year anniversary, the AVRBMS invites you to a special seminar between **May 8 and 10, 2020** in **Budapest**, Hungary. Under the title **Europe 2030**, we have prepared a series of events during which we will exchange views regarding the future of Europe with renowned representatives from business, politics and culture, and explore the theme of a joint political and economic growth or polarization. Throughout the seminar we aim to give other partners access to our network and thereby strengthen our cooperation. To celebrate the 5-year anniversary of the association, we planned an unforgettable **social program** for all participants.

Because the program is offered in German and English, a prerequisite for the participation is good knowledge of both languages.

For a successful registration please fill in the following form:
